

V₃O Charged Item relieves pain fast and Improves Taste & Quality of Any Liquid or Solid Food

Importance of Molecular Organization

When the molecules of your cells are in chaos, your body part will have fatigue and/or pain.

When the molecules of your cells are organized, your body part will have energy, vitality and have no fatigue or pain.

V₃O Technology

The V₃O Technology products create and promote organization in the molecules of your body or in a liquid or solid food.

When the molecules in your body are organized, you will experience high-energy levels and have less fatigue and pain.

Water and the Human Body

Negative words, thoughts and emotions create chaotic molecules. This blocks the flow of oxygen at the cellular level in the human body. Positive words, thoughts, emotions, prayer vibrations, classical, serene music or the V₃O charge organizes molecules in the body.

What is the V₃O Charge?

It is a totally safe and natural energy field which observes nature's logical and powerful rhythms as found in the *Harmonic Spherical Table of the Chemical Elements*, developed by a San Diego based inventor and researcher.

This original discovery (Quantum Disk) found that through the development of the *Table* that compounds and elements duplicate and magnify the element of oxygen. Tests conducted at Virginia Tech University, found that liquids "charged" had a 140% increase in the chemical element of oxygen.

A V₃O "Charged" item changes the chaotic water molecules to structured molecules. Chaotic molecules in the body create energy blocks and cause pain. Restructuring of the molecules increases the flow of energy and relieves pain.

Taste tests have indicated all liquids "charged" have tasted better.

Water tasted softer and pure.

Operation and Usage

Operating the V₃O "Charged" products is very simple. All one has to do is place the container with the liquid on or adjacent to the "Charged" plate for about 2-5 minutes.

For areas of pain in the body, place the charged plate on the pain area for several minutes. For severe pain or injury, hold on to the charged plate for several days. Pointing the laser beam from a charged laser pointer to the area of pain also relieves pain.

Putting the charged plate in a tub of water with sea salt charges the whole tub. Soaking in this relieves pain.

Swimming pool owners can reduce the usage of chemicals by putting a charged plate in the pool.
